

Providing Equitable Access to Care: An Open Forum

Friday, October 6, 2017

Objectives:

- To better understand the wishes and wants of our patients
- To recognise the importance of collaborative care in order to support our remote patients

The Program today....

- Video presentation:
 - “Going Home” – Glynis Whiting (someone who has walked the walk...)
- Three perspectives on home hemodialysis from the actual experts:
 - Ken Hewlett – the traveler
 - Ken (Kenny) Wilson – the remote success
 - Clark Wilson – the amazing care-giver
- The perception from the remote community
 - Dr. Lauri Ann Shearer, physician from Bella Bella, BC
