

WEBINAR!

Medications and Kidney Disease

Friday, September 24, 2021
2:00 – 3:30 pm (PT)

BC Renal, in partnership with BC's Kidney Care Clinics, invites you and your family/friends to a province-wide webinar.

Medications & Kidney Disease

- Can medications slow kidney decline?
- What are some common medications used to help the kidneys?
- How can I keep track of my medications?
- Should I take my medications when I am sick?

Dan Martinusen, Provincial Director of Pharmacy, BC Renal will lead the presentation. Dan is a pharmacist with specific expertise in the care of patients with kidney disease.

How can I join?

You can join using a computer, tablet or smartphone. If you do not have a computer or your computer does not have an internet connection, you can join by telephone.

Canada: +1 647 558 0588

Webinar ID: 868 1651 1519

Password: 379980

Please register for this session in advance.

1. Click on this link: <https://bit.ly/37k81ZH>
2. After you register, you will receive an e mail which will tell you how to join the session.
