

WEBINAR!

Vascular Access for Hemodialysis

Friday, March 10, 2023

1:00 – 2:30pm (PT)

BC Renal, in partnership with BC's Kidney Care Programs, invites you and your family/friends to a province-wide webinar.

Vascular Access for Hemodialysis

- What are the options?
- What are the advantages & disadvantages of each?
- What would work best for me?

This webinar will help you learn about the different options. You can think about which might work best for you and discuss with your kidney care team. Registered Nurses who specialize in the area of vascular access for patients with chronic kidney disease will lead the presentation. Also speaking will be a patient(s) who has lived experience with a vascular access(es).

How can I join?
