

PAEDIATRIC CASE

Alistar Browne

Canadian Pediatric Society, "Treatment Decisions for Infants and Children", *CMAJ*, Vol. 135 (Sept 1, 1986)

- Always act in the patient's best interest
 - 1) Cannot sacrifice for interest of family
 - 2) Cannot sacrifice for interest of class of patients

- We should forgo LST when

{ it is Virtually certain
 Beyond reasonable doubt that }
 On balance probable

Treatment is futile or harmful
