

# Your Medical Condition and History

If you need to go to another hospital or clinic after a disaster, or if your medical records are unavailable or destroyed, having your medical information with you will help temporary care givers to understand your special needs. You should keep this updated.

<b>Date Completed</b>	
<b>Primary ESRD Diagnosis</b>	
<b>Other Medical Problems</b>	
<b>Infectious Precautions</b>	
<b>Allergies</b>	
<b>Blood Type (if known)</b>	
<b>Modality (type of treatment)</b>	
<b>Hemodialysis at home? (circle one)</b>	<b>YES / NO</b>
